Email:Khushipanu007@gmail.com
Location:Anpur Nawad, Haldwani, Uttarakhand

Objective

To leverage my strong coding skills and problem-solving abilities to secure a challenging software development position where I can contribute to innovative projects and continuously learn new technologies in a quick and efficient manner.

Education

Graphic Era Hill University, Haldwani, Uttarakhand Bachelor of
Computer Applications (Aug 2023 – Aug 2026)

The Masters Senior Secondary School, Haldwani, Uttarakhand
- Class 12th (CBSE): 89.2% (2023)
- Class 10th (CBSE): 93% (2021)

Technical Skills

• Programming Languages: Java, C, JavaScript
• Web Technologies & Tools: HTML, CSS, React.js, Node.js, Express.js
• Version Control: Git, GitHub
• Others: API Integration, Responsive Web Design, Data Structure And Algorithms

Coursework

• **Object-Oriented Programming (Java):** Proficient in applying core OOP principles such as inheritance, encapsulation, polymorphism, and abstraction to build modular and maintainable Java applications.
• **Database Management Systems (DBMS):** Knowledge of relational database design, SQL querying, normalization, and transaction management using tools like MySQL or PostgreSQL.
• **Web Development Fundamentals:** Skilled in building responsive front-end interfaces with HTML, CSS, and JavaScript; basic understanding of client-server architecture and web hosting.

Projects

• **Tourist Website** – HTML, CSS, JS
  Designed a static travel site with destination info, image galleries, and brief highlights.
• **Event Website** – MERN Stack
  Built an event planning app with service booking, form handling, and user authentication.
• **Airbnb Website** – MongoDB, Express, Node.js
  Created a listing platform with login/signup, and restricted users to manage their own posts.
• Learning Management System
  Developed a Learning Management System (LMS) for posting and managing online courses,
• MERN Stack Learning Projects
  Practiced full-stack concepts like CRUD, routing, and backend integration with MongoDB and Express.

Cources and Certificates

• MICROSOFT Learn Student Ambassador Web Dev Workshop
• Full Stack Web Dev course by CODEDAMN
• Java and Data Structures by Apna college
• MERN Course by Apna college

Profile

• Leetcode: https://leetcode.com/khushipanu/
• GitHub: https://github.com/khushipanu

Extracurricular Activities

• Honed communication and teamwork skills by competing in public speaking events and contributing to university cultural fests.
